Before you dare to take a trip into the deep ocean, please, place the bet and set the number of the pay line. Now take a deep breath and dive, or just spin the reels. Match the winning symbols combinations to achieve the main goal of the game and get the winnings. You will also like the additional features of the game which game developers put in the game. Well known free spins game is waiting for you. Once three or more Scatter symbols occur on the reels the feature is triggered and you get ten free spins and Special expanding symbol feature. At the beginning of the free games the one of the game symbols is selected as Special symbol. During the free spins it may expand to cover the whole reel and this can bring you additional winnings. And there's one more thing to be mentioned – the Scatter symbol acts also like the Wild symbol in the game and substitutes for all game symbols. The only exception is Special expanding symbol. And you can also multiply your winnings playing additional mini game. Once you won in the spin round you can press the Gamble button and try to guess the card color. The right guess multiplies your prize and gives possibility either to collect it or gamble again. The wrong guess voids all the pays for the round. Nettilompakoita tai PaysafeCardia käytettäessä (Skrill ja Neteller) joudut maksamaan 5% käsittelykulun. Muilla keinoilla tallettaessa käsittelymaksu on pienempi 2,5%, paitsi Trustlylla, jolloin talletus on täysin ilmainen. The rules are simple – match the symbols in the winning combinations and get your reward. But the Novomatic's team of the developers put in this free slot some additional features and symbols which help you to get more credits. The Wild symbol (looks like golden ball) helps you to complete the win line by substituting for any game symbol except the Scatter symbol. And it also doubles your winnings being a part of win line. Once you match four Scatter symbols (represented by cups) 15 free spins are triggered. During this bonus game all your winnings will be tripled! If you want to multiply your winnings you can do it any time after receiving the prize for the spin round. Just click any of the Gamble buttons and initiate mini game. Instead the reels you will see the shuffling card deck. Your goal now is to guess the color of the last card by clicking corresponding buttons. The right choice multiplies your winnings and gives you another try (or you can just take your multiplied credits and return to the main game). The wrong choice eliminates all the winnings for the round. free online blackjack games no download multiplayer
