Since they first arrived on the scene in the mid 70's, video poker has become increasingly popular in both the land based and online casinos. There are now literally hundreds of different versions of the original 5-card draw game, and as is the case with every other game that has ever graced the casino, players are constantly on the lookout for a strategy or tip that will help them win regularly. In this game everything creates the air of the classical western. All the attributes of the Wild West are presented as symbols in this slot. Among them we find guns, hats, beautiful lady, cowboy boots, man on a horse, gold, cactus and others. The Wild Symbol is the cowboys. There are two of them. This symbol substitutes for any symbol except the Scatter Symbol. When on reels 2 or 4 they expand to cover the remaining positions on that reel, completing any possible wins. The Scatter Symbol is a poster with the inscription "Wanted Dead or Alive". 3 or more Scatters trigger the free spins feature. All wins are quadrupled during this feature. All bets and paylines are the

same as the game that activated the feature. These wins are added to payline wins. The object of the Vegas Single Deck Blackjack Gold is like no other, players need to achieve a hand total of 21 or less, that has a higher value than the dealer's. If the total of the hand exceeds 21, the player will bust and automatically lose the round. The game is played with a single deck of cards that is shuffled before each round.
