Poker is one of the most played casino games in the world, and is probably the most recognizable given that it has been the subject of Hollywood movies, as well as tournaments being shown on television. The popularity of the game spiked a few years ago, and it not really surprising that it happened just as online casinos were really starting to take off. The game that was one played in seedy basements and back parlours quickly became in style, backed by a number of big name celebrities getting in on the action. Australian gambling tycoon, James Packer, will soon realize his plans to construct a new multi-million resort and casino in the Caribbean, thanks to a new law passed by the Antigua and Barbuda government. To me the best poker player in the world is the biggest net winner, and I do not think the top tournament players even come close. Who is the biggest net winner then? I have no idea. For obvious reasons there are no official records from cash games and there never will be. Maybe Johnny Chan just won five million dollars in a private cash game last week—even if he did we will never hear about it. The sheriff star was chosen to represent the Wild symbol in Fandango's 3 Reels slots game. With its aid, you can complete any winning combination without a problem. 9 sheriff stars on the screen bring you the highest prize in the amount of 6,000 coins! Casino Tropez offers Australian players a wide variety of bonuses and promotions. The Welcome Bonus is quite deceiving, because when you land on their bonuses page it makes it seem as though they offer an AU\$3000 bonus. However, it's more complicated than that. Double Magic may not be the most exciting pokie ever created, but it certainly has an important place in the Microgaming collection. If you're a veteran pokies player, you may fondly remember when all poker machines looked a lot like this one: minor variations on a three-reel game with classic symbols. On the other hand, if you're very new to the world of pokies, a game like Double Magic is a great way to get started, as the game is easy to play but still has at least one special symbol, which should get you used to the idea of how more complex games will work. Simple and eloquently designed, Double Magic is a game that will appeal to a wide variety of pokies players

who don't enjoy (or aren't ready for) the more advanced games that are now commonplace in online casinos. Unfortunately, Packer's losing streak was far from over when shareholders decided to open a class action lawsuit against Crown Resorts. According to the lawsuit, Crown Resorts lost AU\$993 million in value due to the Macau arrests. What's more, James Packer has been named in a different court case involving the Prime Minister of Israel, Benjamin Netanyahu. Packer has been mentioned in the case after giving the Prime Minister expensive gifts. He has not been accused of wrongdoing yet. "NetEnt designs its games to provide as much excitement as possible to the players, and what could be more exciting than becoming a multi-millionaire?" he said. When Aristocrat and other Australian designers started incorporating videos and other features, it represented the largest change in game design since Charles Fey's first mechanical slot design in the late 19th century. When new pokies appeared, featuring not just cosmetic but also rules variations, the ability of gamblers to wager on up to five reels and even more pay lines, gamblers realised that the increased number of ways to win meant they could see a bigger return on their investment.
