Once you play a game near 100%, card counting helps you gain a real advantage at 21. Don't assume you have to be a mathematical genius to count cards. The math is simple. In fact, the characteristics of a good card counter needs are concentration, the ability to multitask, social skills, and perhaps a little bit of play acting ability. Basic maths skills are essential, but I'm talking quite basic. [bingohall reviews](#)
