Video poker plays much like 5-card draw, the casino card game so many of us first learned to play. That's why Jacks

or Better, the original version of video poker, is sometimes called "draw poker". Unlike Texas hold'em, you don't play against another player. Unlike the other casino game with the best odds, blackjack, you don't play against a dealer. Instead, the game plays out much like the other most famous gaming machine, pokies, where you play against a pay schedule. If your hand is good enough, you win money. For example, in Jacks or Better, if you build a five-card hand with a pair of jacks or stronger hand, then you win money. online casino that accepts paypal
