The phrase black sheep has come to stand for any kind of outcast. That's because the wool of the black sheep was not as valuable as white wool, so when a farmer had a black sheep, it was essentially worthless to him as a commodity. The jackpot in the game is 5,000 coins for landing three orange symbols when playing two coins. Three lemons on the reels, which is the second highest payout, will payout 200 coins. Perhaps the best tip I could tell you is to never split two tens but always split two eights. The reason is that a hand with two tens can easily add to 20 and your main goal is 21. Two eights always add to 16 and is said to be the worst hand in blackjack therefore if you spilt the eight you at least have a chance of one winning hand.
