There are 43 good balls and 6 bad in Boss The Lotto. Your task is to pick out the good ones. Pick good balls in a row and you win. Pick more and you win more. But be aware, if you pick a bad ball, it's game over! It's time for some island adventure this March, so get your pirate gear on and jump aboard the Loose Cannon! The Loose Cannon is a lucky pirate ship run by a motley crew of pirates and aboard which you can win some great payouts. If you love pirate movies like Pirates of the Caribbean then you'll love this online pokie. The game is set against a pirate theme backdrop. You'll meet some adorable (they're not scary) pirates while they sail the seas on their ship, the Loose Cannon. Loose Cannon is for the adventurous – win your loot as you sail the high seas and dig for gold. In most jurisdictions, taking advantage of a biased wheel isn't actually considered cheating. After all, a player who tracks the numbers on a wheel and ends up finding out that a wheel favours certain numbers hasn't done anything to manipulate the game, and isn't using any illegal devices, either. deuces wild poker app
