Here at Wink Slots, we only select the finest and Treasure Fair is in a class of its own. Designed by the amazing online gaming pioneers at Random Logic, Treasure Fair is enticingly dark and beautiful, plus it's packed with features. Treasure Fair is essentially a classic 5 reel slots game with 25 paylines, however there is a lot more lurking beneath the surface. The game is set in a fairground of old, far darker and spookier than the ones we were used to as children. It feels like a macabre version of a Tim Burton film, with its sepia tones, spooky antique imagery and spine chilling background music. Needless to say, the characters of the game are perfectly cast with their grim, taunting and seductive qualities. Costabingo
