Just as in the real world, Internet scratchies are popular, because they're incredibly simple to play. When you visit an online casino, there may be a special area just for scratchies, but it's more likely that you'll see them under a heading of "specialty" or "other" games instead. From there, you'll see a listing of the scratch-off games that are available at your casino site. Although his stack has doubled, his equity will only increase from AU\$7 000 to AU\$10 000. In addition, the losing player did not lose all of his equity, it just dropped from AU\$7 000 to AU\$3 000. The third player that was not involved in this managed to increase by AU\$6 000 to AU\$7 000. This means that the same stack size will increase when other players are knocked out of the game.
