Sic Bo originates from Ancient China, although we're not entirely sure exactly how old the game is. It was also known as Tai Sai or Dai Siu, which means 'Big Small,' while the name Sic Bo translates to mean 'dice pair.' The game was originally played by tossing bricks with numbers on their sides, but this was eventually replaced with dice. The Western world wouldn't be introduced to the game until the 19th century when Chinese workers traveled to America to help build the Transcontinental Railroad. The game initially stayed within the Chinese population, and it wasn't until the 1920s and 1940s that it was seen by Americans. New free spin casino

While most of these symbols do require three in a row to score a win, the biggest winners – the girl and the temple – also award some small consolation prizes if you should happen to hit two in a row.
