Customer support is fantastic at Buzzluck. A team of dedicated customer support professionals is at hand 24x7 to answer your queries and resolve any potential issues you may be facing. Members of this team are trained to respond to issues across different aspects of online casino action, including your account, payments, wagering requirements, the games on offer, and more. Finally, there's a gamble game that will be offered after every winning spin. Like most gamble games found on pokies, the object is to guess the next card that will be pulled from a standard 52-card deck. If you'd like to try to double your money, you can guess whether the next card will be red or black. If you'd rather try to quadruple your winnings, you can attempt to guess the suit instead. If you're incorrect, however, you'll lose everything you won on that spin. The gamble game is completely optional, and players are never obligated to play it.
