This casino receives a rating of 4 out of 5. It would have performed better were it not for the lack of games in the Live Casino tab – at the moment the tab only displays the Hold 'Em Poker game, you'll have to hunt down the rest as they're scattered across a host of different game tabs. Another point that counts against the casino is the fact that it offers a number of banking methods but this perk is restricted by Ts&Cs specifying that funds must be withdrawn using the same method as used for depositing – a number of supported banking options only allow deposits. So if you were to deposit with Ukash you'd be hard-pressed to make a withdrawal at all. Withdrawals are processed from one to four days after the request is made. When withdrawing via bank wire transfer, the funds will be available in five days. With check withdrawals, the funds will be available to you in 14 to 15 working days. The moment a player gets to the online casino games page, all they will see is rich quality in the icons of the new online casino games.
