High rollers are the players that can spend dozens of thousands in the casino within a month and the most adventurous (and the richest) of them are called "whales". Whales are the high rollers that can play slot machines with the highest stakes, up to a couple of thousands per one spin and easily leave millions in the casino. Captain Cash himself is the wild symbol in the game. Another feature in Captain Cash online pokie which is unusual in three reel pokies, is the multiple paylines. Next up is the scatter symbol (appropriately, a large coin with the word "scatter" on it). Hit two or more of these symbols anywhere on the reels and you'll win a prize equal to a multiple of the amount you bet on that spin. Manage to hit five, and you'll actually win 200x your triggering bet, a massive prize no matter what level of coin you're playing with. derivco microgaming
