Online Roulette is a game of luck and for casino players to win the game they have to have Lady Luck on their side. With the game it is impossible to cheat, the game is straight forward. Players can enjoy the game at a land based casino or internet casino. Unfortunately, Fly Casino doesn't have a mobile responsive design and it's not compatible with iPhones, iPads and Android devices. There is no mobile app as well. You can visit the casino on a mobile browser such as Chrome or Safari, but because the design isn't mobile responsive you will find it difficult to make deposits and play games. From the other hand, 3 reel classic slots are often played by experienced gamblers. It's explained by the fact that many people feel nostalgic about their amazing trips to land-based casinos in Vegas and want to get that thrilling feeling back. As you see, classic games are quite popular among all categories of gamblers. Of course, if you are a fan of advanced 5 reel video slots, playing these simple games can quickly become boring for you but it's a cool way to try something new and don't bother with complicated features and betting strategies.
